Dear Brethren, Family & Friends:

Happy New Year and a prosperous one in the Lord from Tijuana. We pray that you all had a lovely Christmas and are looking forward to a Year of Blessing in God. So much is happening so fast. Praise God. Jesus returns soon.

We had a great Thanksgiving with the church in the Fellowship Hall. The room was not completely finished by Thanksgiving but we had our first meeting and dinner together the last Saturday of November. At this dinner, we dedicated the Hall unto the Lord. By the help of the Lord we added a room to the house I'am living in. We Praise the Lord for it because the house is too small for meetings. Even though the Hall is 20 x 30 it is too small if everyone came at once, but due to work and travel we have never been able to be together at once. We are praying that in the future we can have a Hall that will be able to hold many more.

For the Christmas Meeting and Fiesta, the Hall was completed with lighting and all, Praise the Lord. This year, so that most of the people could come, we had the Christmas Special Meeting on Thursday night. Many came early for Fellowship so it was an all day affair. For our last meeting together before Christmas we had a Blessed time in the Lord with much Praise. Christmas Eve and Christmas day we spent here in Tijuana. I had family and friends in both days, for dinner and breakfast. A lot of cooking all month that is just part of the Holidays.

I had a couple of lovely surprises. One being that Rafael and Sylvia with their twin boys, Rafael and Christian, came up for the Holidays from Mexico City. I had not seen them all from many years. It was so good to see them. Then some of the children stayed at the house for their vacation time and left after the New Year's. So I had a full house all the time. Gerardo decided to stay for Christmas also, rather then going home. He lives here full time.

God has supplied me with land here in Tijuana to build a house and a large Fellowship Hall. So now we are looking to the Lord for His Perfect Will. So please pray with us that the decisions and direction of the Lord be ours in all things. For truly, we only want God's Perfect Will.
God Bless You.

Yvonne Obed
